Rural Families in the Digital Age

77 parents of young children in rural Nebraska were asked about their families' technology use and concerns.

How often do you use your device for the following tasks?

Once or more per day Once or more per week Once or less per month

How many children do you have?

one two three four five or more

How old are your children?

Which of the following devices do you own as a family?

How often does your child have access to devices with internet?

Everyday A few times per week About once per week Never

What are your concerns about your child using smart devices?

Which areas would you be interested in learning about how your child can use a smart device as a tool to succeed in school?

How likely are you to use one of the following ways to learn about the apps that will support your child's learning?
